ARE ALL ABOUT FAMILY

At Watermark Cottages, bringing your pet isn't an afterthought — it's part of the experience. Every cottage is thoughtfully designed to welcome pets with private outdoor spaces, whether that's a fully enclosed deck, a fenced yard, or open green space right outside your door. You can relax knowing your dog has room to enjoy the outdoors safely while you unwind in your private hot tub, fire up the BBQ, or take in the waterfront views. With direct access to nature, walking areas nearby, and a layout that makes traveling with pets easy and comfortable, Watermark Cottages lets you enjoy a true getaway without leaving your best friend behind.

The area surrounding Watermark Cottages is ideal for walking your dog, with quiet shoreline roads, open green spaces, and scenic stretches along the St. Lawrence River just steps from your cottage. Guests enjoy peaceful morning and evening walks with minimal traffic, fresh river air, and plenty of space for dogs to explore on leash. With nearby nature trails and waterfront views in every direction, it's an easy and enjoyable environment for both pets and their owners to get outside and unwind.
